2. PROCEDURES

2.1. Register Keeping and Recording

The School Attendance (Pupil Registration) (England) Regulations 2024, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session. The register must record whether the pupil was:

- Present;
- Absent;
- Present at approved educational activity; or
- Unable to attend due to exceptional circumstances.

2.2 Expected absence procedure for parents:

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to contact school on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

We will inform a pupil's social worker and/or youth offending team worker if there are unexplained absences from school in line with statutory requirements. We will also inform a pupil's social worker and/or youth offending team worker if their name is to be deleted from the school register.

If a child is absent from school the parent must follow these procedures:

- Contact the school on the first day of absence before 8:30am
- Call the school phone number on 01603 742203 to let us know that your child is absent. In the message you must leave your child's full name, year and class; and give the specific reason for absence. Please be aware that, if you leave a voicemail to report your child's absence, you may receive a call from the school so that we may discuss the absence before making a decision as to whether the absence is to be recorded as authorized.
- Contact the school on every further day of absence before 8:30am
- Ensure that your child returns to school as soon as possible and you provide medical evidence, if requested, to support the absence. Medical evidence may be requested where your child is having multiple periods of absence which are reported as being due to medical reasons.

If your child is absent, the following actions will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register at 9am and where no reason for absence is known. We will telephone you on the first, and every subsequent day of absence, if we have not heard from you. However, it is your responsibility to contact us;
- If we are unable to make contact with parents by telephone, we will telephone emergency contact numbers.
- A home visit may be made regardless of whether contact has been established as part of our safeguarding procedures.

2.3 Late Arrival at School

Poor punctuality is not acceptable and can lead to irregular school attendance patterns. Good timekeeping is a vital life skill which will help children as they progress through their school life and out into the wider world. Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher.

All pupils are expected to arrive on time for every day of the school year. Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with a member of school staff. If you are having difficulties getting your child to school on time, then please speak to a member of school staff. We expect parents and staff to encourage good punctuality by being good role models to our pupils and, as a school, we celebrate good punctuality.

The school gates open at 8:25am. The school day begins at 8:25am for Junior children and 8:35am for infants, 8:45 for nursery when children can come into school via their classroom doors. The school register will be taken by 8:40am for KS2, 8:50 for KS1 and will remain open for 25 minutes – see below for register timings. All pupils arriving after this time are required to report to the main office with their parents, who will be expected to provide a reason for their absence which will be recorded on their attendance record.

KS1 registers open 8:35 – 8:50. Arrival between 8:51 – 8:59 minutes late are recorded with a present mark. Arrival between 9:00 – 9:09 is recorded as an L. Anytime after 9:10 is recorded as a U.

KS2: registers open 8:25 – 8:40. Arrival between 8:41 – 8:49 minutes late are recorded with a present mark. Arrival between 8:50 – 8:59 is recorded as an L. Anytime after 9:00 is recorded as a U.

See above for if their arrival is recorded as late - L code (Late before the close of register). See above for the time the school register officially closes. All pupils arriving on or after this time will be marked as having an unauthorised absence for the morning session - U code (Late after the close of register).

The afternoon register will take place at 1pm. It will officially close at 1:30pm. Please note that L or U codes will be used if a pupil arrives after the close of the afternoon register for the PM session. The school day finishes at KS2: 3pm and KS1: 3:10pm and pupil are expected to remain in school until this time unless agreed with Headteacher.

2.4. Promoting Regular Attendance

To promote school attendance, we will:

Ways in which you promote and incentivize school attendance:

- *Celebrate excellent attendance by displaying and reporting individual and class achievements.*
- *Reward good or improving attendance.*
- *newsletters, assemblies, displays, social media*
- *Class attendance rewards on our Class-opoly board*

2.5 Support Systems

We recognise that poor attendance can be an indication of difficulties in a family's life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required.

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered to families will be child-centred and planned in discussion and agreement with both parents and pupils.

Strategies we may use to support children's attendance when there is an emerging concern include:

- *Writing to you if your child's attendance is causing a concern and/or where punctuality is a concern;*
- *Arranging a meeting so that you may discuss the situation with our Senior Attendance Champion*
- *Creating a personalised Attendance Support Plan (or attendance contract) to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;*
- *Offering signposting support to other agencies or services, if appropriate or undertake an Early Help Assessment with you;*
- *Referring the matter to an external agency for multi-agency support, or consulting with Children's Services or the police, where there are safeguarding concerns.*
- *Referring to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Children Missing Education procedures if no contact has been made with parents by the 10th day of absence (or sooner if deemed appropriate).*
- *Referring the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.*

We will investigate and offer support to any pupils who are at risk of becoming persistently absent (PA) and we will not wait until attendance is below 90%.

2.6 Part-time timetables

All schools have a statutory duty to provide full-time education for all pupils and we are committed to every child's right to a suitable, full-time education offer. In very exceptional circumstances, we may decide to implement a temporary, reduced timetable where a pupil's individual needs indicate they cannot currently access a full-time education, and it would not be in their best interest to do so. We will not use a part-time timetable to manage a pupil's behaviour. A part-time timetable will not be treated as a long-term solution and will have a time limit by which point the pupil is expected to attend full-time or be provided with alternative provision. We will never put a part-time timetable in place without written agreement from parent/carer and/or other professionals working with the family as appropriate. This intervention will only be used as part of a comprehensive package of support for the pupil where it is safe to do so; it will be reviewed regularly in partnership with the child, parent and any other relevant professionals working with the family.

We will notify the Safeguarding and Attendance Lead of all part-time timetables as soon as a plan has been agreed; and inform the Local Authority Attendance Team in line with the [Norfolk](#) or [Suffolk](#) guidance

2.7 School signing out procedure

If you need to take your child out of school during the day, you will be required to sign them about following the procedure outlines below:

- Sign out via the school office

2.8 Leave of Absence

There may be exceptional circumstances where you need to request a leave of absence for your child. Please use our 'Leave of absence request' form to make these types of requests. The form should be submitted in advance of the leave of absence, via office@costesseyprimary.org.uk. You will receive a written response, to advise if the request has been granted or declined.

2.9 Reporting to parents/carers

The school will inform parents/carers about their child's attendance and absence levels regularly, this is available to see at any time via the Arbor app, and will be promoted half termly via letter as well as termly at parent's evening and in the Summer school report. At any time, parents can check their child's attendance using Arbor.
